#### **19. Geospatial Tech Club**

We are students interested in learning about the world of geospatial technology outside of the classroom. We aim to create an inclusive space for us to engage with geography and GeoTech through volunteer side projects and opportunities for professional development. Through our meetings we hope to foster a sense of community within the Foothill GIST program, and provide support for each other in our individual academic and career goals. Anyone interested in GIST can join the club.
