

Goal is to have a rubric that is easier to help faculty align their courses, particularly for learners who have yet to learn Canvas. When we talk about design we also talk about teaching - both these are required for quality standard.

Send Sally an email with feedback. And share it with your colleagues and ask for their feedback.

Faculty to continue and revise. To replace POQR rubric. Purpose is to engage and communicate with colleagues. We need to share more.

Oli - thanks to the FT OL team!
