PROGRAM REVIEW
STUDENT SUCCESS SERVICES

A. PROGRAM INFORMATION

1. **Program Mission Statement**

2. **Program Level Student Learning Outcomes**

Completed enrollment means that the student has completed the following five steps to become a student including: complete CCC Apply; meet assessment requirements; complete orientation; create an education plan; and register for classes. The chart below captures the first step - students who compete CCC Apply. The data will include:

5. Does the data trend suggest actions are necessary to improve the number of students completing Step 1?

___yes

___no

C. Students Meet Assessment Requirements (Step 2)

{Insert data chart here for **STEP 2: Meet Assessment Requirement.** Chart to include new first-time students, first-time transfer students and returning students.}

Figure 2.

7. In the data

F. Students Register For Classes (Step 5)

{Insert data chart here for **STEP 5: Register for Classes.** Chart to include new first time students, first time transfer students & returning students.}

Figure 5.

19. In the data table above, what does the data trend indicate?

___the data trend shows an increase in the number of students completing Step 5

___the data trend shows a decrease in the number of students completing Step 5

___the data trend shows no change in the number of students completing Step 5

21. Does the data trend suggest actions are necessary to improve the number of students completing Step 5?

___yes

___no

22. If yes, describe the proposed actions you discussed

G. Students Completing Enrollment Steps By Ethnicity

___yes

___no

32. If the data trend shows a change in male, female, non-binary, or decline to state enrollment, explain why there was a change (100 words or fewer).

33. If the data trend shows a lack of gender parity in your program, what source of that disparity and what is the program doing/planning to do to address this?

34. Use this opportunity to provide feedback on the template or address a topic that was not previously discussed.

SERVICE AREA OUTCOMES ADDENDUM

RE-ACCREDITATION INFORMATION   **please answer if applicable**

5. What actions has the program taken to address the accreditation, audit, or review citations/findings identified?

6. What barriers has the department faced in implementing improvement? (300 words or fewer)
