

Foothill College
Program Review Committee (PRC)
Feedback Spring 2018

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) recognizes your comprehensive program review was drafted in the Fall of 2017, prior to the College's pivot to a productivity model. Nevertheless, program viability and productivity are closely linked and the PRC did consider this a factor in the overall rating of your program.

The PRC read and discussed each Comprehensive Program Review during a series

- ◁ PRC recommends the department explore ways to improve disproportional impact. PRC recommended the department to review the resource requests, to focus more on equity and professional development.
- ◁ PRC recommends tracking the Student demand on equipment usage.
- ◁ PRC recommends the department report back to PRC in the Fall 2018 about their timeline on closing achievement gap.
