Strategies

! **Allocate funds according to needs of labor market and capacity of colleges to meet those needs** (" unemployment rate, " CTE FTES, " job opening in first year)
! **Utilize 60% of funds to directly resource colleges to provide *more* and *better* CTE**
    # Enroll more students in CTE programs and offer more CTE programs in pathways where there is labor market demand equal to or greater than the supply
    # Utilize outcomes data to guide investments to obtain better rates of course and certificate/degree completion, job placement and retention, and wage advancement for all students
! **Convene workforce development stakeholders to identify regional labor market gaps, and find ways to work together to build and improve career pathways**
